Due Dates:

Registration Fee is due in August along with 1 month of tuition.

Supplies, Book Rental, etc. Fees are due by the first of October.

Monthly tuition is due by the 15th of each month.

Please contact the treasurer for payment arrangements that better suit your financial situation.

*Items are determined by fees that we are charged by other entities and may possibly be adjusted to meet the actual charges when the costs are finalized. This is the projected amount on the current information we have.

Please note that we have not raised tuition for several years due to the cooperative sponsorship of parents, church, and donors. Volunteers for maintenance, janitorial, and lawn/snow removal have greatly helped to keep an increase from being added back into the budget.

Ways to help keep an education affordable for include, but are not limited to:

- * Donating teacher requested materials in a timely manner
- * Making use of the tax credit the state of Wisconsin offers
- * Supporting the school's fundraisers by helping Home and School keep events well attended and promoted
- * Checking into financial assistance
- * Looking for ways to volunteer time and efforts so that the budget can be kept low and tuition can have limited increases
- * Donors are sometimes available to help sponsor student tuition
